DSPS Mission

- Eliminate educational barriers unique to students with disabilities
- Provide learning support and pathways to success
- Empower self-advocacy
- Ensure equity, equal rights, and access under the law.

PURPOSE

The **DSPS Department** was established to more fully accommodate the academic and service needs of students with disabilities.

Student participation in the program is voluntary, and all information is kept confidential.

DISABILITY RELATED LAWS

DSPS provides services and programs for students with disabilities in compliance with both:

- *Section 504 of the Rehabilitation Act of 1973*
- the Americans with Disabilities Act (ADA).

SERVICES AND ACCOMMODATIONS

The DSPS program offers many services for students with disabilities.

A list of most common services, accommodations, and special equipment is available on the

DSPS website.

GRIEVANCE PROCEDURE (AP-5140)

In situations where an agreement cannot be reached on the reasonable academic accommodation or service for the student, the Director of DSPS, the faculty member involved in the grievance, and an Academic Accommodations Panel will review the grievance. At this phase, every effort will be made to resolve the matter through the informal process. The panel will include three faculty (at least one from DSPS), one student representative, one administrator and one DSPS staff member. The student still has the right of external appeal to the Office of Civil Rights under Section 504 of the Rehabilitation Act of 1973. (AP 5140)
